

Dear Exhibitors and Trainers,

Welcome to the $74^{\text {th }}$ annual Ludwig's Corner Horse Show!
For those of you who have showed here before, we hope you find this year's show just as challenging and fun as in past years. For those who are new to LCHS, you are in for a treat! For those in the third generation of showing at LCHS, welcome back! For those here for the first time, welcome to a new Labor Day Weekend tradition of fine equestrian sport and memorable times LCHS combines rated-level competition in course design, R judges, awards \& management in a warm and traditional setting.

While testing your skills against top competition you will catch up with friends old and new at the in-gate. There is an atmosphere at this show that sets it apart, along with great classes for all levels such as our LCHSA Hunter Derby and Pony Derby, a Pony Model, Jumper Classics, Hunt Teams, Side Saddle and a Family Class. The Jockey Club TIP divisions in Hunters \& Jumpers are popular again this year.

Our show has been held at the Crossroads of routes 401 and 100 in the heart of northern Chester County's horse country since its inception. Proceeds benefit the Ludwig's Corner Fire Company as well as preservation of the show grounds as open space.

Try to find time to sample the catering by Yellow Springs at the Grill on the Hill, Tiki Bar and other concession stands. Have some fun on the bungee jump, the mechanical bull and the other attractions at the Country Fair. Visit the Vendor Tent for unusual and irresistible gift items. Your family and friends who come to watch you ride will have a great time exploring all there is to do at LCHS.

That's what we've been about for 74 years.
Sincerely,
Sarah Reese
LCHSA Board President

## HUNTER CLASSICS

#### Abstract

To be judged on an even hunting pace, manners and way of going and style of jumping. To be eligible, a horse or pony must have been entered, shown and completed the course of two over fences classes. The $2^{\text {nd }}$ over fences round of the respective division will be the first round of the Classic. The top ten (10) entries will return to jump a second round of approximately eight fences. The entry with the lowest score will return first. Scoring of the two rounds will be cumulative. If less than 10 are entered, it will become a sweepstakes class.

Two Rounds - The first round is scored as a Classic Hunter Round. The top 12 riders return for a second Handy Hunter Round. The base score in the Handy Hunter Round reflects brilliance of pace and handiness. It should simulate riding over hunt country and will incorporate options such as tight turns, clever options for jump approaches, high option fence(s), hand galloping, and trotting a fence. The top eight horse-and-rider combinations are expected to ride for ribbons and prize money.
