## Dear LCHSA Community,

Happy New Year! We want to express our gratitude for your unwavering support over the years. So many of us have fond memories of attending events with friends and families, whether it's dog shows, Diwali celebrations, cyclocross races, balloon festivals, horse archery, Salt performances, fireworks, horse shows, car shows or concerts. Ludwig's Corner Show Grounds is the gem of northern Chester County.

New this year is GGT footing in the Rosato Oval, many thanks for Nathan Panetta owner of Apex Arenas, Poly Soles Fiber, Covia Sand and the Archie W. and Gracie Berry Foundation. You will also notice some beautiful landscaping plants donated by Somerset Nursery, planted by our wonderful volunteers!

While we rejoice in our successes there is always more work to be done. To continue our mission and expand our reach, we are in need of additional volunteers. There are work parties throughout the spring and summer with landscaping, painting, building cleanup, dragging rings, horse show preparation, mowing and weed-wacking. We also need many more volunteers during our 3-day Labor Day weekend horse show. If you have a few hours you can contribute just let us know so we can find the perfect fit for you.

To volunteer phone: 267-278-0441

This year we will continue to offer free member schooling and are investigating the feasibility of holding a clinic or two in our equestrian disciplines.

Thank you in advance for your support!

Sara Jane Lubrano  
President  
Ludwig's Horse Show Association

## Who we are...

We are a non-profit organization made up of members and governed by an all volunteer twelve person Board of Directors.

We receive no township, county or state funding. Membership dues, sponsorships and revenue from our 3 day Labor Day Weekend show covers our operating costs.

## Our Mission...

In addition to hosting an historic Labor Day weekend horse show and country fair, the Ludwig's Corner Horse Show and Country Fair is committed to maintaining our beautiful 33-acre show grounds as open space. We also make the grounds and its facilities available to the regional community for local horse shows, dog shows and other events, such as the Country Spirit USA concert, a summer carnival, a Diwali Festival and a Homegrown Festival showcasing the region's locally sourced agriculture, food and artists. We are a community resource!

## Member Benefits
